REALTY EXCHANGE COMPANY PROFILE

Realty Exchange is a local boutique brokerage firm that specializes in the sale of quality apartment communities. Since our inception we have focused a significant amount of our energies on this single asset class. We are the local apartment experts across all property sizes, vintages, and submarkets. We also specialize in the acquisition, brokerage and management of REO portfolios and large single-family asset pools.

With our main office centrally located in the St. Louis Metropolitan area, Realty Exchange provides local expertise in all of Missouri's apartment markets. Apartment sellers seek out Realty Exchange for the professionalism of our people the effectiveness of our process, and our track record in delivering our price.

THE MISSOURI APARTMENT EXPERTS

Realty Exchange was formed in 1973 as a residential and multifamily brokerage firm. Since 1996, Realty Exchange disposed of (in many cases raising the equity and arranging the debt) 30,000+/- residential units across 8,500+ individual properties representing over \$1B in transaction volume. Our principals acted in a very hands on role in virtually all those ventures. Realty Exchange currently employs over 40 brokerage professionals and support staff.

To monitor and enhance the performance of our sales activities and investments, we utilize local market expertise deep rooted relationships, and hands-on asset management personnel.

As multifamily real estate specialists, Realty Exchange advises on aspects of the multifamily industry that are unfamiliar to agents with a more general real estate background. Although we are not attorneys, our agents are trained to consider: market trends, rent and repair factors, current and upcoming laws, inspection results, 1031 Exchange options, tax implications, cap rates, and internal returns.

Our team of multifamily experts also networks with developers, real estate professionals, and investors on a daily basis, pooling knowledge to benefit both buyers and sellers. Buyers obtain recommendations on funding, inspecting, repair and long-term financial planning from one source. Sellers receive serious inquiries through our extensive looking-to-buy investor databases. Realty Exchange's attention to every detail of your multifamily real estate transaction lays the foundation for your real estate investment goals today and twenty years from today.
